\$20 Million Raised To Date

For a complete list of current investors or for more information about Opportunity Houston 2.0, visit opportunityhouston.org.

Opportunity Houston 2.0 is GHP's six-year, \$40 million program commencing in 2014. Opportunity Houston 2.0 funds will be used for programs that ultimately generate leads that spur job creation and capital investment in the Houston area, and improve the perception of the Houston region as a global business destination.
