BIO

Tammi Warfield | Houston Managing Director, Microsoft

Tammi Warfield acts as the Managing Director for Microsoft Houston as well as leading the Customer Success team for the South Central Region. She joined Microsoft in November 2017 after more than 16 years at BMC Software. Prior to assuming her current role, Tammi lead the global Customer Success Team for BMC's mainframe division as well as various sales teams including two years as the AVP of MSM North American Strategic Accounts.

Tammi relocated to the Houston area in April 2010 where she now lives with her family.
