

**To remain economically competitive, Texas must enact a modern, transparent economic development program that will:**

- ✓ Ensure Texas' economic security
- ✓ Promote technological and manufacturing independence
- ✓ Create new capital investments in our communities
- ✓ Give our children greater opportunities
- ✓ Provide additional resources for local schools

**77%** of Texas voters believe temporary tax discounts are worth the return on investment

**70%**  
of Texas voters support continuing temporary property tax discounts

**84%**  
believe we are too reliant on other nations for essentials
